

Shalford Lawn Tennis Club Junior Club Championships 2007

The Club Championships is a regular successful annual event with the seniors and this year we have are going to see if the juniors can follow in true Wimbledon style and play in an official Junior Championships. The aim is not only to find champions for the year, but also to enable members of all standards to participate in a friendly competition. Numbers of entries will decide if a knockout tournament or round-robin event takes place in each of the age groups, however each player will be guaranteed at least two matches.

Tournament Details

Players/parents are expected to organise a playing time with their opponent by the date advised on the draw and the Finals Day will be held along with the senior finals on Sunday 9th September, with cream teas for sale, so please come and support. Weather permitting this is a very enjoyable afternoon.

Match schedules will be displayed in the kitchen, and also sent by e-mail to all participants. Whenever possible, especially during busy times, please book the Public Court for playing these matches, and provide your own tennis balls. Please make sure that you play your matches promptly. In the event of a match not being played by the deadline, the result will be decided by two members of the committee on the spin of a racquet!

In the U18 and U15 age groups players should play best of 3 set matches (tie-break at 6-6) and in the U12 age group, players should play best of 3 short sets (first to 4 games instead of 6, tie-break at 4-4). Players may play in up to two age groups if they would like to.

All events are £2 to enter and should be sent to (or given to) Matt Trevail by Sunday 17th June:
24 Tillingbourne Road, Shalford, GU4 8EY (cheques payable to Shalford Tennis Club)
